a mio padre

Un nuovo percorso, un nuovo progetto,
non solo il numero che sta sul muro di casa mia.
Qualcosa che riguarda l'intimità, l'eleganza, la tranquillità.
Così vedo le mie lampade inserite in questo contesto.
La loro linea le porta ad essere oggetti unici, intimi e raffinati.
La loro luce avvolge lo Spazio casa con devozione.

Questo è ZEROTRENTUNO

Renzo

*A new path, a new project.
Not just the number of my house.
Something about intimacy, elegance tranquility.
That's how I see my lamps in this context.
Their shape transforms them into a unique, intimate, accurate objects.
Their light envelops your home with devotion.*
